

PRACTICAL 11

Q} Design a webpage of your CV with heading as “Objective” , “educational” , “Qualification” , “achivement” , “strength” , “bodies” & “present details

Apply the following specification:-

- 1) Insert a horizontal line after every above mentioned heading.
- 2) Set any light color on page background.
- 3) Bold & underline every heading.
- 4) Insert your image on the left side of the webpage.
- 5) Use heading tags to specify the heading.
- 6) After every heading is over put the horizontal line.
- 7) Use pre tags for educational qualification.
- 8) Use “basefont” for all the text.

Ans }
